I will like to ask the Judges in this letter for an A.D.R. I Request an A.D.R., Thanks for your time and Considerations, I will like this court to grant me an "Mediation" a neutral third party to help me negotiate a mutually satisfactory agreement resolving all of the parties dispute.

I also Request in this letter for an (E.N.E.), Early Neutral Evaluation, And I request from this court an "Limited Scope ADR Counsel" to represent me at Mediation, so the lawyer can engage in settlement discussions, and request additional discovery that will assist in the mediation, and meet with me to prepare me for my mediation if granted.

Thanks

Sincerely

for your time & Considerations
